Zion shall be redeemed with judgement; and her converts with righteousness. Isaiah

BERLIN, GERMANY COVID 19

"Wherefore I would have come unto you, even I Christopher, once and again; but Satan hindered me." Okay that's the Chris Mann version of **1st These 2:18**, but I certainly feel Paul's frustration. I was set to leave for Berlin the 23rd of June. All was well, our dear friends are planting a congregation in Berlin and asked if I could come. I agreed and was soooo excited! All I had to do was present a negative COVID test for the plane ride into Europe and boom, work is on! The wrench was the test. I had felt like I had a cold or something, but thought I'd pass the test with no problem. Josiah had come home several days earlier from serving at camp and didn't feel well for about 24 hours. But hardly anything to worry about. When I received a positive test, Shawna took the girls and they went to be tested. Yep, all of us were positive...except the golden child, Arielle, who is now the only one positive. I was disappointed. We all were. But I praise the Lord we all seemed to manage well. I have an invitation to return to Ukraine in August and have services here in the States in July. I hope to reschedule my trip to Germany as we're in the process of getting our refund for the tickets from that trip. I was very much hoping to tell of the outreach to Germany. I feel I owe you all an apology, but we know it was out of our control. I will also not return to Haiti very soon, as Royi Jean has sent me video of the carjackings and the unrest there at the moment. Pray with us that God will move supernaturally at the right time for this precious Haitian family. We are praying all will return to normal and the work can continue. Yet there is a strange change still in the air. We trust Him and it's His work. Thank you for your prayers! I continue to teach in Ukraine and in Israel weekly via internet.

It is with this beautiful family I have worked with since 2011. In 2018 his family was planting a second congregation in Kiev and they have been learning German this past year to plant a congregation in Berlin.

Israel and the Jewish people are the "Apple of His eye." We are eternally grateful for every effort you make to bless them and help us to continue to labor in His vineyard. Thank you!

The BEAST part 2

We wanted to report about the funds for Royi Jean and his family. For those who are just now seeing "the Beast," it's a reference to the car we borrowed while we were in Haiti last. Our family felt led to try to raise funds for a vehicle for this family. We are presently at $2430.00 for a car for them. So we thank you so much for your giving. I asked Royi Jean for a photo of he and his bride for our newsletter and he gladly obliged. We will send a letter once this project is complete. Thank you for keeping this wonderful family in your prayers and for us that we could return soon! Thank you so much for your giving. If you feel led to give towards a car for them they can get a good used one from Florida for about $5000. This will keep them from having to borrow one, or use "tap-taps," (open taxi trucks that haul 10-12 people, sometimes more).
