ISRAEL

Zion shall be redeemed with judgement; and her converts with righteousness. Isaiah 1:27

Jerusalem

I made many trips to the port in Ashdod for food, diapers, and clothing to distribute in Jerusalem. We also had cots and tents for the IDF. We ran into a problem with where to distribute the dry goods because many are not able to cook in their places of stay while they are displaced from their homes. Most of the hotels are full in Jerusalem due to this. I reached out to Arik Pelled, a friend from CBN Israel. He connected me with a woman I had known back in 2017! Malishoo! I had painted her house for her! She knew me instantly. God has such a way of setting things up. She is voluntarily feeding many of the Ethiopians in Jerusalem and invited us to eat with them!

It was such an honor to meet with Holocaust survivors who were celebrating Hanukkah in Jerusalem for the candle lighting. Many of you who have traveled to Israel with us have met Alexander, a Holocaust survivor, who's son Greisha works for For Zion's Sake. Mike Evans, of Friends of Israel hosted the survivors with food and dancing as well as provided them a tour of the FOZ museum. Yael (asst. director of For Zion's Sake) and I were personally invited by Mike to visit the facility with him.

Tel Aviv

Attending another rally for the release of the hostages in Tel Aviv with Major Avi, whom we have been working with from Israeli Defense Forces. Afterwards, we went to grab a bite to eat, the sirens went off, and we were forced into the bomb shelter due to incoming rocket fire from Gaza. Unfortunately, after we finally had a chance to eat, a man assaulted Avi as we were leaving, he broke his humerous bone in his arm, and had to have surgery the same night! Funny story, as I was waiting at the hospital with Avi, a friend from his military unit happened to also be at the hospital. He was so excited to see Avi and slapped him on the shoulder in greeting to ask how he was. I thought Avi was going to pass out! Talk about an exciting evening!

Near Gaza

Visiting more October 7th attack sites including Reim, where the festival was, it's also one of the gathering sites for ground forces. I was around a lot of shelling, one of the tanks near me fired an artillery round, catching me off guard, needless to say, I think I left a zebra strip in my skivvies! I was invited to attend a flag ceremony in Or HaNer. All of the sites of the attack were given new flag poles to hoist the Israel flag on. It was a pleasure to meet several of the humble heroes who helped defend Israeli lives on October 7th. We visited the hospital in Ashkelon to visit the wounded soldiers and hand out sufgoniyot all over the hospital in honor of Hanukah.

Israel and the Jewish people are the “Apple of His eye.” We are eternally grateful for every effort you make to bless them and help us to continue to labor in His vineyard. Thank you!

PSALM 122

I was glad when they said unto me, Let us go into the house of the Lord. 2 Our feet shall stand within thy gates, O Jerusalem. 3 Jerusalem is built as a city that is compact together: 4 Whither the tribes go up, the tribes of the Lord, unto the testimony of Israel, to give thanks unto the name of the Lord. 5 For there are set thrones of judgment, the thrones of the house of David. 6 Pray for the peace of Jerusalem: they shall prosper that love thee. 7 Peace be within thy walls, and prosperity within thy palaces. 8 For my brethren and companions sakes, I will now say, Peace be within thee. 9 Because of the house of the Lord our God I will seek thy good.

Shawna and I want to personally thank you for your partnership and support. We have been truly amazed as we step out in faith, for the open doors in Israel. We know He's hearing your prayers to sustain us. So many divine appointments, too many to write about or convey in a newsletter. Every step we take in this land and around the world we believe for His victory to triumph and His name to be heralded. We truly are grateful to have been brought to the Kingdom for such a time as this with you!
