# Passover in UKRAINE

*Zion shall be redeemed with judgement; and her converts with righteousness. Isaiah 1:27*

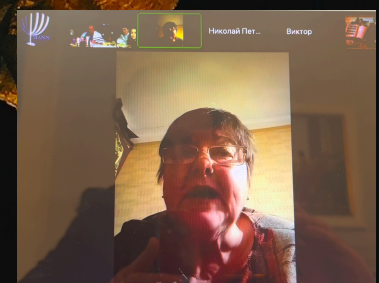

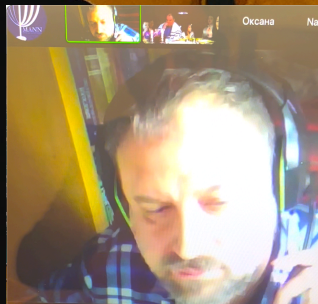

# Zaporozhye

I'm sure the difficulty of understanding the situation in Ukraine has taken a toll on most of us that live in the United States. God has strengthened us to continue to pray daily for the faithful there. Not only have we prayed, but have invested heavily to continue to sow and help them. This Passover season was no exception. Since the out-break of COVID, we have been teaching online weekly and at present have breached a regular audience of 50 Jewish families. Their continued faithfulness to this online congregation has been mind-blowing! I am including a picture from a video of the grocery store at the local mall where Sasha (congregation leader) and I have purchased almost all of our food for past outreaches. I've literally shopped here with him dozens of times. The mall wasn't hurt, but a young boy was killed in the apartment complex during this bombing. Sadly this has become normal life for the Ukrainian people. This past week the Russian military has begun fortifications of facilities and are ramping up for possible counter-measures from Ukraine. We continue to be hopeful that God's timing and purposes are being worked through our ministry and through Sasha and Oksana.

## Online

Sasha hosted a Passover Seder online for the shut-ins and we sent offerings for both the online seder and the physical seder for those who could attend. This included food, the facility, and transportation to and from the hall. At the online seder, Sasha invited me to be the main speaker, which I was happy to do! Above our regular Shabbat meeting for the week this was a 3-hour service that included the liturgy, worship, and the message I shared. A funny highlight was Vloidia's youngest son, seen below took his bite of horseradish and I thought he was going to be sick. The picture of the boy with his hand on his head are how we all feel sometimes. Lol! Sasha allowed several shut-ins to read portions of the Exodus narrative and it was a very special time seeing Messiah in the Passover.

# Pesach Seder

The “in-person” Passover Seder was held at a small cafe in Zaporozhye. Sasha and Vloidia led it and those who were able to come enjoyed it tremendously. Although, I of course could not be there in person, we were there in spirit. I can't tell you how much it breaks my heart to not be there, to hug necks, and to have fellowship. Mann International Ministries was able to help provide food to each family that attended the online seder.

They were all visited and given a parcel of food to be a blessing to them during this difficult season. We continue to see progress made even through the cloud of darkness. All praise and glory be to He who IS our Passover! I've been invited back to Germany for family camp. This year we're expecting 150 families to attend. Please pray we find a facility that can host this number of people!

# Anti-semitism

We are honored that a Jewish friend of ours has begun the Anti-Semitism Education Center of the Ozarks. Her name is Shirah Miriam Aumann and we've known each other since 2015. She hosted a Holocaust survivor and a week long event in Branson helping bring awareness to this area. It was a joy to reconnect with her and to hear the amazing story of a Hungarian survivor, Erika Petrover, who we're pictured with. She will come anywhere to share her story.

You can support Miriam's work by contacting her at Sunshine House, 908 South Sunshine St. Branson, MO 65616 or call 417-230-0114.

## *Our "Sweetums" is Graduating!*

Our cutest, first, little girl has decided it's time to graduate. Hadassah Abygale Mann, our "Sweetums" affectionately, has become quite accomplished in everything she touches. Her swelling heart for music, includes her ability to play the flute, piccolo, piano, and her voice would make any Disney princess many by jealous when she sings. She has encouraged offering her talent to minister with us in the U.S. and in Israel. Her love for God and her passion for music are leading her to attend Evangel University in the fall and hopes to minor in Hebrew. She aspires to sing professionally. Her life verse is Esther 4:14 "Who knows Kingdom for such a time as this?" We love you Hadassah!
